

## Short-Term Research Consultation

**Title of the assignment:** “*Open Innovation Systems: A review of the existing literature*”

- *Assignment start date:* No later than 28 February
- *Deadline for completion:* 29 March 2017
- *Budget:* 3,500 €.

In connection with a position paper to be published in the European Journal of Development Research, in a special issue about Innovation Systems in the Era of Global Value Chains, we are looking for a person who can assist us in undertaking a literature review on Open Innovation Systems.

The task includes identifying and summarizing the relevant literature and should be finalized no later than 29 March 2017. If you wish to bid for this task, please send your CV. The detailed definition of the assignments is to be defined upon deliberations with the guest editors. Please send your tender no later than 24 February 2017 to [ninak@business.aau.dk](mailto:ninak@business.aau.dk).

It is an advantage if you have relevant expertise on innovation systems – preferable you have (or being close to complete) a PhD in Economics, Management, Development Studies and Innovation Studies or related areas. Excellent writing skills is a requirement. The available budget for this task is 3,500 €.

For questions regarding then assignment, please contact one of the special issue guest editors listed below.

Rasmus Lema, Associate Professor, [lema@business.aau.dk](mailto:lema@business.aau.dk)

Roberta Rabellotti, Professor, [roberta.rabellotti@unipv.it](mailto:roberta.rabellotti@unipv.it)

Padmashree Gehl Sampath, Adjunct professor, [Padmashree.Gehl.Sampath@unctad.org](mailto:Padmashree.Gehl.Sampath@unctad.org)
